Individualize Instruction —Find the “just right” text for each student by matching texts to the right instructional level for each student.

Build Foundational Skills —When applied with fidelity, Guided Reading can improve the development of decoding, vocabulary, comprehension, and fluency.

Build Reader Confidence —By reading at appropriate levels, each student can gain valuable confidence to continue reading growth.

Houghton Mifflin Science Leveled Readers

- build fluency, independence, and science knowledge and skills
- feature nonfiction and realistic fiction books
- provide 4 levels of text — language support, below-level, on-level, and above-level— to reach all learners in your classroom
